

BARCADE NEW HAVEN EVENT PACKAGE

BROOKLYN | JERSEY CITY | FISHTOWN | NYC | ST. MARK'S | NEW HAVEN | NEWARK | LOS ANGELES
COMING SOON | DETROIT AND PHILLY CENTER CITY!

BARCADE NEW HAVEN opened in May of 2016 at 56 Orange Street, which is located in the heart of the city's vibrant Ninth Square neighborhood. Well woven into the fabric of "Elm City's" bustling nightlife scene, Barcade New Haven has quickly emerged as a key contributor to the city's cultural renaissance and renewal. Located within walking distance of music venues like Cafe 9 and College Street Music Hall — as well as the historic Yale University campus — Barcade New Haven is both a popular meeting place for locals, as well as a regional draw for New Englanders in general.

Barcade features a combination of classic arcade games and craft beers handpicked from local craft breweries. Barcade has eight locations throughout the northeastern United States. With two new locations in Midtown Detroit and Center City Philadelphia opening in 2020.

Twenty-five beers are available on draft and cask at each location, and all are chosen exclusively from top American craft breweries. The selection leans towards local breweries from the northeast, including Brooklyn Brewery, Sixpoint Brewery, Cape Ann Brewing, Dogfish Head, Victory Brewing and Captain Lawrence Brewing.

Like the beer selection, the classic video games at each location are handpicked as well. Some examples of the arcade games you'll find at Barcade include: Tapper, Q*bert, Donkey Kong, Tetris, Daytona USA, Tron, Teenage Mutant Ninja Turtles, X-Men, Marvel vs. Capcom and Mortal Kombat.

The original Barcade opened in 2004 in a former metal shop at 388 Union Avenue in the Williamsburg neighborhood of Brooklyn. All locations are owned and operated by the founders and each is infused with the same gritty, authentic spirit that made the original such a hit with local artists, musicians, and key influencers.
